

Temporary Exhibition Service

Need cost-effective temporary exhibitions?

We have a range of exhibitions for hire, all you need to do is add your own objects and print the panels.

We send our range of exhibitions digitally, saving on expensive postage cost. All exhibitions are flexible in size, suiting a variety of spaces.

Do you make exhibitions in-house?

We re-format exhibitions made by museums to make them non-site specific, before releasing them for hire. Each time your exhibition is used, you will earn a % hire fee.

Current exhibitions available include 'Food and Drink' and 'Decoration On Objects'.
